Do It For Durrett is back for its 12th Anniversary! The all-day event on Friday, November 13, 2026, tees off at 9:00 a.m. at the Grapevine Golf Course as we continue to partner with NextStep Recruiting for our annual Charity Golf Tournament. For our 10th straight year, we will hit the course with a four-man scramble to navigate through drink stands and on-course games as we vie for the coveted winner's trophy!

The celebration continues at Texas Live! with an epic night you won't want to miss. The official DJ of the Texas Rangers, DJ CStatz kicks the night off. Then at 7:45 p.m., get ready for the live auction to heat things up, running throughout the night as Texas music legend Randall King takes the stage for an unbelievable night!

Thanks to your incredible support, the foundation has raised over \$3 million and provided critical assistance to more than 250 DFW families facing the heartbreak of sudden loss. Join us and be part of something truly meaningful; together, we can continue making a powerful difference for those who need it most.

Performing at Texas Live!

Randall King is one of country music's most compelling modern traditionalists – a West Texas native and self-described "old soul." With a sound built on authenticity, King effortlessly blends honest, heartfelt songwriting with pure honky-tonk swagger, delivering electrifying live performances every time.

His commitment to classic country is ringing true in the mainstream, with over 560 million global streams and breakout hits including "You In A Honky Tonk," "Hey Cowgirl," and "Mirror, Mirror." His acclaimed 2024 album, *Into the Neon*, pushed his signature style forward, mixing steel guitar and '90s country grooves with a modern edge. The project earned recognition from outlets such as *Entertainment Focus* and *Whiskey Riff*, with *Country Now* noting it as one of the "Best Country Albums of the Year...So Far."

Strongly influenced by legends like Keith Whitley, George Strait and Alan Jackson, King has become a powerhouse on the touring circuit. He consistently sells out venues across the U.S. and internationally in the U.K., Germany, the Netherlands and Scandinavia. Averaging nearly 140 shows annually, he continues to grow a loyal fanbase worldwide.

On June 17, 2014, the Dallas-Fort Worth Metroplex lost a treasure when sports personality Richard Durrett died suddenly at 38. Richard was survived by a then-pregnant wife and two small children. Richard's zest for life and desire to help anyone and everyone led to the Do It For Durrett Foundation as a way to honor his memory and help working-class families in the Metroplex.

The Do It For Durrett Foundation (DIFD) is focused on raising funds for area working-class families that have been impacted by a sudden loss. The non-profit was established to provide financial support to the surviving members of the families so that they can try to focus on the day-to-day job of trying to move on without a loved one. While it's impossible to make up for the loss, the Foundation's goal is to make the burdens that often accompany a sudden loss a little easier.

For the past eight years, **NextStep Recruiting** has proudly hosted this annual golf tournament, choosing Do It For Durrett as its beneficiary. Their unwavering commitment to giving back has inspired us to aim higher each year, helping us reach even more families in need. True to the way they serve their clients and candidates, NextStep leads with humility, drive, and kindness, always doing things the right way.

Our Mission Statement:

To Serve our Clients, Candidates, Teammates, and Communities with the utmost passion and respect that they deserve while delivering creative and successful staffing solutions. Serving with Do It For Durrett allows us to pursue our guiding principles of longevity and community impact. Partner with us. We are all in this together.
